

Create a Gmail account

To sign up for Gmail, create a Google Account. You can use the username and password to sign in to Gmail and other Google products like YouTube, Google Play, and Google Drive.

1. Go to the [Google Account creation page](#).
2. Follow the steps on the screen to set up your account.
3. Use the account you created to sign in to Gmail.

The username I want is taken

You won't be able to get a certain Gmail address if the username you requested is:

- Already being used.
- Very similar to an existing username (for example, if example@gmail.com already exists, you can't use examp1e@gmail.com).
- The same as a username that someone used in the past and then deleted.
- Reserved by Google to prevent spam or abuse.
