The following is a rough idea of what we will cover in this class over the
next 6 weeks.

If you have some experience already, I will set some individual challenges
for you. If there are specific requests, please let me know and I will try to
cover that material as well.

More Advanced Students: Subject matter of their choice or we can select
challenges together.

Oct. 17, 2022: Introduction to Pastels, Materials and some basic
techniques.

Oct. 24, 2022: More techniques, Seeing Values, working from a
simple still life.

Oct. 31, 2022: Texture and Color Theory. Landscape Painting.

Nov. 7, 2022: Composition, Mixed Media Techniques. Landscape painting

Nov. 14, 2022: People/Animal Portraits

Nov. 21, 2022: Finishing current work. Storing your paintings, Framing,
Critiques.
